www.ear-flap.com

Back in 2022 Ear – Flap.com was taken over by another Packaging Machine producer in Barcelona / Spain, and a new distribution company was established with the name TECH-M Group, which we got a Dealer agreement with in June -25, for Denmark and parts of Scandinavia, on the condition that we participate on the HI 2025 Exhibition in Herning DK. on Sept. 30. till Okt. 2.

WE REALLY LOOK FORWARD to service YOU or colleague soon !
